## ORDER EXTENDING SERVICE OBLIGATION

### Summary

By this order, the Department is extending L.A.B. Flying Service's service obligation at Excursion Inlet, Alaska, for an additional 30 days, through **January 29, 2003**.

### Background

On April 1, 2002, L.A.B. Flying Service, Inc. (L.A.B.), filed a 90-day notice of its intent to suspend its unsubsidized service at Excursion Inlet, Alaska. By Order 2002-7-4, July 2, 2002, the Department prohibited the carrier from suspending service at the community for an initial 30-day period, through July 31, 2002, and requested proposals, with subsidy if necessary, from carriers interested in providing replacement service. As required by 49 U.S.C. 41734, we have extended L.A.B.'s service obligation for additional 30-day periods, the latest through December **30, 2002**, by Order **2002-11-15**.

Although L.A.B. has submitted a proposal, this case will not be completed before the end of the current hold-in period. As required by 49 U.S.C. 41734, we must continue to require L.A.B. to serve Excursion Inlet for an additional 30-day period.

This order is issued under authority delegated in 49 CFR 1.56a(f).

### ACCORDINGLY,

1. The Department requires L.A.B. Flying Service, Inc., to maintain essential air service at Excursion Inlet, Alaska, as described in ordering paragraph 2 of Order 2002-7-4, for an additional 30-day period, through January **29, 2003**, or until a carrier capable of providing reliable replacement service actually begins, whichever occurs first;<sup>1</sup>

---

<sup>1</sup> In accordance with 49 U.S.C. 41734(c), we will extend L.A.B.'s service obligation for successive 30-day periods as necessary until replacement service actually begins.

2. The Department directs L.A.B. Flying Service to retain all books, records, and other source and summary documents to support subsidy claims for payment and to preserve and maintain such documentation in a manner that readily permits its audit and examination by representatives of the Department. Such documentation shall be retained for seven years or until the Department indicates that the records may be destroyed. Copies of flight logs for aircraft sold or disposed of must be retained. The carrier may forfeit its compensation for any claim that is not supported under the terms of this order;
3. Docket OST-2002-12014 will remain open until further order of the Department; and
4. The Department will serve copies of this order on the Mayors and Airport Managers of Excursion Inlet, the State of Alaska and L.A.B. Flying Service, Inc.
